ARTICLE IX

GRIEVANCE PROCEDURE

A. Definitions:

1. The term "grievance" means a complaint by an employee that, as to the employee, there has been an inequitable, improper, or unjust application, interpretation, or violation of this Agreement.

2. An "aggrieved person" is the person or persons making the claim.

3. A "party in interest" is the person or persons making the claim and any person who might be required to take action or against whom action might be taken in order to resolve the claim.

4. Employee is defined as all employees covered under the terms of this Agreement.

B. **Purpose:** The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems which may from time to time arise affecting employees as defined in this Agreement, solely restricted to the terms and conditions of this Agreement. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. **Grievance:** Should any dispute or difference arise between the Township and the unit representative or its members as to the interpretation, application or operation of any provision of this Agreement, both parties shall endeavor to settle same in the simplest and most direct manner. The procedure shall be as follows, unless any step thereof is waived by mutual consent:

FIRST: A meeting shall be held between the grievant, with the unit representative and attorney, if so desired, and the Business Administrator within ten (10) calendar days after the event giving rise to the grievance has occurred. The grievance shall be reduced to writing prior to said meeting. The Business Administrator shall give his/her written answer within five working days after the meeting.

It is specifically understood and agreed between both parties that failure to act within said ten (10) day period shall be deemed to constitute an abandonment of the grievance.

An employee processing a grievance shall be free from restraint, interference, coercion, discrimination or reprisal.

SECOND: If the grievance is not settled at the first step, the grievant or the Representative from the Association may make written request for a second step meeting within twenty (20) calendar days after the answer is given at the first step, except that in disciplinary action grievances, the written request for a second step meeting shall be made within five (5) working days after the answer is received at the first step. The Business Administrator shall set a meeting within five (5) working days after the request is received, or for such other time as is mutually agreeable. This second step meeting shall be between the Mayor of the Township acting on behalf of the Township, and the grievant, with the Association's representative and the grievant's attorney if the grievant has counsel. The Township's answer to the second step shall be delivered to the Association within five (5) working days after the meeting.

A disciplined employee may, at option, proceed initially to the second step of the grievance procedure. Grievances concerning such matters shall be filed in writing with the Mayor within five (5) working days after the discipline or the option under this section shall be deemed waived. The second step grievance meeting on disciplinary matters shall be held within ten (10) working days after a request unless other arrangements are mutually agreed upon.

THIRD: If the aggrieved person or the Association representative is not satisfied with the handling or result of the grievance at the second level, he may, within fifteen (15) days, notify the Mayor of the Township in writing, that he wishes to take the matter to arbitration. It is expressly understood and agreed that the submission of this matter to arbitration under the terms and conditions set

forth herein shall be a condition precedent to the institution of any civil action in a court of competent jurisdiction, and that the failure to proceed through the grievance procedure set forth in this Agreement shall be grounds for dismissal of such civil action.

Within ten (10) working days after such written notice of submission to arbitration, the Business administrator of the Township and the Association's representative shall attempt to agree upon a mutually acceptable arbitrator to serve. If the parties are unable to agree upon an arbitrator or to obtain such a commitment within the specified period, a request for a list of arbitrators may be made to the American Arbitration Association by the aggrieved party. The parties shall then be bound by the rules and procedures of the American Arbitration Association in the selection of an arbitrator.

The arbitrator's decision shall be in writing, and shall set forth his findings of fact, reasoning and conclusions on the issues submitted. The arbitrator shall be without power or authority to make any decision of an act prohibited by law, or which is violation of the terms of this Agreement. The decision of the arbitrator shall be submitted to the Township and to the Representative, and shall be binding upon the parties.

The costs for the services of the arbitrator, including per diem expenses, if any, and actual and necessary travel, subsistence expenses, and the cost of the hearing room shall be borne equally by the Township and the Association.
